Dear Colin,

On behalf of the University of Wyoming College of Law Dean's Advisory Board, I would like to thank you and Burg, Simpson, Eldredge, Hersh & Jardine for your \$50,000 pledge to the *William N. Brimmer Legal Education Center* to be matched dollar-for-dollar by the State. We truly appreciate your support of this much needed addition to the College of Law.

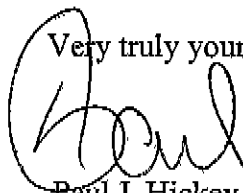

As Wyoming's only law school, the College of Law plays a vital role in preparing law students for practice, providing quality continuing legal education for the bar and bench, and hosting a variety of important proceedings and special events. All of these functions will be significantly enhanced by the addition of the *William N. Brimmer Legal Education Center*, situating the law school as a premier facility in the region.

To date, we have raised \$2,940,000 including state matching funds. We are making great progress toward the projected cost of \$4 million, and with the generosity of people like you, we will soon realize our goal!

I wish you and your family the best. Thanks again, Colin.

With best personal regards, I am

Very truly yours,

Paul J. Hickey

Chairman, College of Law Dean's Advisory Board

Hi Colin
All the best -
Thank you.
